“ *Hi!! I was just surfen' unraod for some facts about dog dancing in Austria (where I live), when I finally saw your shows from the crufts on youtube. My first thought: Amazing! My second thought: How to teach a dog something like this! I have a pug, her name is Mia and she actually just does something like twist, jumping over my arms, legs, into my arms, stuff like that. I think that a pug may cannot do some of these special tricks I saw now, wich are easier vor bigger dogs. In just a few minutes watching the videos and reading this website I became a great fan of you two! I really enjoyed watching your performance! Best wishes PS: I hope my English was okay (;##imported-begin##Albany##imported-end##*
