October 16, 1929 - April 12, 2024

Elizabeth Imogene "Betty Jean" Greene Anderson, 94, of Woodstock, Georgia, passed away on April 12th, 2024. Her funeral service will be held at the Georgia National Cemetery in Canton, Georgia at 11:00am on April 24, 2024. She will be laid to rest beside her husband, Ormand G. Anderson. Northside Chapel in Roswell, Georgia, is in charge of arrangements.

Betty Jean, lovingly known as BeeGee, was born in Canton, Georgia on October 16, 1929 to Erastus R. and Maude Irene Purcell Greene of Atlanta. She was preceded in death by her husband, her brother Thomas Wendell Greene of North Augusta, South Carolina, and a great grandson, Ezra Lawrence Anderson of Greenville, South Carolina. She is survived by her sister, Jo Greene Keri of Acworth, Georgia; her children, Donna Anderson Washington (John) of Bogart, Georgia, Gil Anderson (Lynne) of Greenville, South Carolina, and Kyle Anderson of Woodstock, Georgia. She is survived by eight grandchildren, Amy Washington, Rachel Anderson (Mike) Leach, Deanna Washington, Jonathan (Elizabeth) Anderson, Mark Washington, Elizabeth Anderson (Yensel) Carcamo, Rebekah Washington, and Bethany Washington (Ryan) McEnaney. She is also survived by 16 great grandchildren.

One summer day, BeeGee met Ormand Anderson at the Varsity while he was playing football for Georgia Tech. They married in 1955. Bee Gee faithfully

stood beside him through his years as a football coach and as an educator. She worked hard at being the best wife, mom, grandmother and role model she could possibly be. Everyone she met loved her. In fact, she maintained friendships even with her fellow kindergarteners. BeeGee was a kind and generous person who lived simply, modestly, and frugally. She would never claim to be a great cook, but some of the meals she cooked are still her children's favorites. She desired as much time with her children as they could possibly give her, and that was true until her last breath. She thrived on family gatherings at Easter, Thanksgiving and Christmas, birthdays, and just fun weekends, yet she highly valued personal, one-on-one time with her children and grandchildren. Many family memories were made around a campfire in state and national parks here in the east or out west in the Rockies! Most importantly, she was a believer in our Lord and Savior, Jesus Christ. Today she is a personal witness of His glory and His kingdom because of her faith in Him from an early age. We can only imagine what she has experienced in heaven by now! After a long and very blessed life, she passed away peacefully in her daughter's home.

“ I have known Mrs Anderson for over 25 years. I used to go clean her house every other week. It was my privilege to watch her gracefully take care of Papa, her husband, who was greatly disabled from a stroke and also to admire her connection to her grandchildren. She would often be calling out their spelling words, or just chatting with one of them on the phone when i was there. In recent years, I've just spent time visiting on the porch or in the living room, or even most recently, her bedroom. I have admired her greatly through the years for her faithfulness to the Lord and to her family. They were proud of her and she was and is profoundly proud of them!!
