I can't recall what year we did this road trip to PC Beach, but we had a great time. I will miss my friend.

“ Mr. and Mrs. Pendleton, I am so sorry to hear this. (And also sorry I can't be there to attend the service. I remember how nice it was to have you both there at mom's funeral mass.) I didn't know Beth well during the time we had horses, mainly because I was just enough older to be the "cool" teenager and she was still a "kid," but when we did do things together, she was brave and a lot of fun. I can't imagine the sense of loss you must feel. You are in my thoughts. Love, Caren (Doelling) Potter

“ I am so sorry to read of Ms. Pendleton's passing. I extend my condolences to the entire family. Psalm 34:18 says: Jehovah is close to the brokenhearted; He saves those who are crushed in spirit. May you be comforted by his words during your time of bereavement.
