“ *We lived next door to the Autry Family in Little Rock and grew up with Little Ellie, who was best buds with my late brother Watty. Dr. Autry "sold" Ann's Volvo to me on my sixteenth birthday for \$100 after she graduated from Southwestern at Memphis. Big Ellie was a second mother to the Wills children and I'm sure we drove her and Dr. Autry crazy running through their house like a bunch of wild Indians during the summers. A more sweet, kind and caring person you just can't find. Sweet dreams, Mrs. Autry, you live on in the hearts of all who loved you, and there are many.*
