“ Our loss is heaven's gain. I loved Aunt Elma very much. If there was any one soul that made God's heart happy and truly loved and lived the way Christ wants, it surely was her. She was a beautiful person inside and out.

Love and prayers to all who love her, miss her and hold her close in heart and memory.##imported-begin##Rhonda (Terry) Ball##imported-end##

“ To Grady Hawkins, his daughter Gail Burkhalter, and the entire Family, it is with heartfelt sorrow that I express my deepest sympathy over the loss of Elma. To Grady; I know she was your life and I wish you the strength to continue on and find peace in knowing that your family is near and the memories live on forever.

To Gail: Myself, having lost both parents, I know how much it hurts and I can only offer you these words to express how much I care. Your Mom was an exceptionally wonderful person in every way. For the times that I have visited my son Anthony and your daughter Stacy, I had the pleasure of meeting your Mom and Dad a number of times and always enjoyed their company. Your Mom was the most compassionate person I have ever met. Always cheerful and always looking for the good in life and not the bad. You exemplify her qualities and I am proud to say that my Son is a part of your family. May the emptiness you now feel be replaced with the loving memories of your Mom forever and the hope that one day we will all be together again.
