“ *We send our sincere and deepest sympathy to the Seymour family; both Brantley and Elnora held a very special place in our hearts. There's not enough space to express the gratitude that our family feels for the Seymour's. One example of their giving hearts was when Pastor Seymour accompanied our family all the way to Savannah, GA to preside over our son and brother's funeral(Richard Lord). This meant the world to us, and will never be forgotten! We wish you God's love and peace in your time of loss.##imported-begin##Sandra Morris Lord & Susan Lord Bizailion & children##imported-end##*

“ *Stuart,*

*I am so sorry to hear of you dear Mother's death. Mothers are so special and your was one of those extra special ones. Always there but quietly serving, Her home always open to all us teens. Our family has always had a special place in our hearts for you and your mom and dad. Such wonder stories of our growing up years as friends and brother and sisters in Christ.*

*Be comforted in Him*

“ *Stuart and Robin,*

*We are sorry that Aunt Nona's physical presence is no longer with us, but we know that to be absent from the body is to be present with the Lord. I loved Aunt Nona, and I remember her from even before she married Uncle Brantley. I grieve, but I accept with joy the Lord's decision to take her home. I will see her again soon. I love you so much,*
