“ *It is a Always a very sad time to lose a loved one in death. My sympathy goes out to the Carroll family for your loss. God Promises at 1 John 5:28,29 that those who have died can live again. Until that time may the peace from the God of peace and comfort be a source of comfort and support to the family.##imported-begin##R Crosby##imported-end##*

“ *John and Barbara,
as a young boy spending time with your parents has a life long postive effect on my life. There is always the question what would Uncle Jhonny and Aunt Elsie do. I will really miss you Mother See been a big part of my life. I just heard of her passing and will not be able to make the service. Please take care. “ We emailed a few months ago and I told you of my husbands demise and you were as gracious as always! We talked about getting together to visit. Your silence said it all and a special aunt and person went to join her husband as well as mine. Give them both my love for me, Thanks for the water and sweet tea after our treks through the woods from our house to yours, and thanks for your special spirit you shared with us all!##imported-begin##Shelly Nix##imported-end##
