“ *So many wonderful memories of my beloved cousin. The devoted Christian man described him correctly. But I also remember his wonderful sense of humor and handsome smile. As a child 10 yrs his junior, I idolized him and thought he had to be one of the "Coolist" guys.in.high school. He was the Coolest and Best cousin and he will be missed so much. But Praise God our Lord I will see him and his mama Aunt Ellen along with my parents and our grandparents (who he was named after) Love You.Woody until I see you again*
