“ *I am so sorry to hear of your loss of Emory. When I was sick, he was always very supportive of me. I always enjoyed seeing Emory at Seascapes Tennis; I looked forward to playing tennis with him. We enjoyed talking with Emory and Margot during Snowbird season. I will sure miss him.*

“ *Please accept my sincere condolences on the loss of your loved one. My heart is healing from my mother's death a few months ago. What helps me are the promises of a resurrection that Jesus made possible when he sacrificed his human life for us (John 16:3). I pray you find comfort in that hope as well.*
