Ernie was so very patient with me when explaining the branch manager's contract and settlement documents while I was at Crawford. He was always ready with a smile and an answer. I was fortunate to have known him and have him in 'my camp.' He was a joy. Elise (Mauldin) Farnham.

Ernie was a super person and a good friend. I believe he helped make Crawford great with his mentoring and his loyalty. Too bad during his last years there he wasn't treated respectfully by his boss. He deserved more.
