“ Eudine and I met in 2004 after Craig and first joined Ebenezer Church and over the years developed a special connection. We referred to one another as Soul Sisters in Jesus Christ. We shared in many good times and great phone conversations and she was thankful in all circumstances. I would call intending to encourage her and she inspired me with her positive attitude and love of the Lord. She will be greatly missed. I have no doubt Eudine is in Heaven rejoined with her dear Norman and loved ones who went before her. Rest in Peace Soul Sister.

“ Eudine and our mother Mildred Hulett were neighbors and good friends in NY. Eudine told me how she would stop down and take Mom out shopping and give her a break from the farm. When my mom passed we visited Eudine and Norm at Joel's home and had a good visit. After Norm died we would enjoy talking on the phone. She was always so full of energy and remembered stories of our families. Her mom Marion always visited my grandma Mary Hulett. We send love to you all and send our sympathy and prayers. Love Butch and Linda Hulett Cleveland
