“ Even though I did not know Eugene personally, I really wanted to express my condolences to you and your family. God's word the bible speaks of a time when death will be a thing of the past. Revelation 21:3, 4 is a comforting scripture that I wanted to share with you during your time of sadness.##imported-begin##fc##imported-end##

“ I have just learned of the passing of Gene Jones, American hero. I spent many hours listening as he spoke of his service in the United States Army during the occupation of Japan during WWII. "Mean Gene" as I jokingly called him, was a Gideon and I spent a year serving with him as a Gideon. One of my greatest honors was going to Fort Gilliam MEPS to hand out Bibles to "kids" going off to basic. Several years ago, Gene and I went on a weekend hunting trip. He was like an older brother to me. Gene was a soldier but I believe he would prefer me identify him in this order: Christian, Husband, Father, Friend, Gideon and then a Soldier and veteran of WWII. Knowing Gene would most likely not approve, I will still stand, take a moment to remember how he lived and salute a true American hero. God speed, Gene Jones, enter into rest you good and faithful servant. Pam, our prayers are with you.
