

Mr. Eugene Charles Maso, MD.

June 1, 1944 - June 20, 2018

Col. Eugene C. Maso, MD, MC, USAF Ret Age 74, of Roswell, GA, a most calm, gentle, brilliant and wise man, died Wednesday, June 20, 2018. Dr. Maso is a graduate of Bridgewater-Raritan High School, Bridgewater, NJ; Rensselaer Polytechnic Institute, Troy, NY; and Albany Medical College of Union University, Albany, NY. He served a distinguished career in the USAF, followed by 33 years as a radiologist with Kaiser-Permanente Medical Group in Washington, DC and Atlanta, GA. He leaves many who will dearly miss him, including his loving wife Carole; children Christopher Maso (Kathy Navarrete) of New York, NY; Brian Maso (Ciaran Blumenfeld-Maso) of Laguna Niguel, CA; Holly Maso (Diego Aguirre) of Bethesda, MD; and Corey Maso (Megan Maso) of Fairfax, VA; grandchildren Marly, Annika, Fox, and Leo Maso; Caroline, Ethan, and Ryan Maso; and Nicholas and Lucas Aguirre; and his brother Larry Maso (Nancy Stanley) and sister Anne Daly (the late Bob Daly). He lived compassionately by caring for people through medicine, and more broadly by being a decent and thoughtful person in all aspects of his life. He never met a stranger, though he would strike up a conversation with anyone who crossed his path -- he recognized and embraced the kindred spirit in everyone.

Though he gave much more, his example as a husband, father and grandfather were his greatest gifts. US Air Force Colonel, doctor, Boy Scout leader, avid volunteer, and trusted advisor were just a few of his roles. He was a great man! A memorial service will be held on June 30, 2018 at Northside Chapel, Roswell, GA. The family will be receiving guests starting at 12 noon,

service to begin 1:00 pm. In lieu of flowers, the family requests a donation to St. Jude Children's Research Hospital – Eugene Maso, M.D Memorial Fund: <http://giftfunds.stjude.org/eugenemaso> or Wounded Warrior Project <http://woundedwarriorproject.org>

“ *Gene was a kind and compassionate person, an excellent radiologist, and a friend. He will be much missed by those who worked with him and looked forward to his company in retirement. I feel great sadness at his passing. My thoughts are with his family at this difficult time.*

Iris Kolla, M.D.
