“ *Lieve Marie Anne en familie,
Via mijn ouders hoorde ik van het overlijden van Ewout. Wat een
plotseling, immens verlies. Heel veel sterkte voor jou en je gezin.

“ *Dear Family, deeply shocked to hear about this tragedy today. Our
thoughts are with you and everybody close to Ewout. Many
memories of Ewout, who I first met in 1999 when he hired me at
Vanderlande in Holland. Highest priority in his team was FUN. I
loved his dedication, humor and his warm personality. Our thoughts
and prayers are with you..... we are very sorry for your loss. Roland

“ Dear family,
It was a shock to learn Ewout's passing and it filled me with profound sadness. I had the luck having known him in the advisory board of the Molenwiek as a very committed member of the Dutch community, with a nice personality and a good sense of humor. I present you my sincerest condolences and wish of the bottom of my heart that love and friendship be a great support in these difficult moments.

“ I would like to offer my deepest sympathies to the Cassee family. We have kept you in our prayers since Saturday and wish you strength during this time. We tried so hard to get him back out there on the trail so please know that he was not alone.

Respectfully,

The Bria family
