“ My sincerest thoughts and prayers go out to your family for the loss of your father. I remember Lee's dad watching over us like it was yesterday. I spent many days and nights at your house while "Fletch" joked with and entertained us as we sat in your living room...attempting to study chemistry or geometry! Your dad had the best sense of humor, and was a real gentleman. I always admired him for the way he took care of your mom. Now your father can reunite with your mom and sister in heaven. May God be with all of them. And may God bless your family.
