“ *I met FP 30 years ago at an ISPS steering committee meeting. I had to badger him for years before he finally disclosed what FP stood for:
He was named for the two Allied generals of WWI, Foch and Pershing!
RIP, FP, we'll miss you.

“ *Jeep was my friend and mentor during the my early years at UPS and his influence served me well throughout my career. He truly cared about our company and the direction in which it was going. I am also disappointed that the news of his passing was not made known to our retiree group sooner. Jeep was a special friend to my wife and I and we will miss him greatly. We will keep F.P. and his family in our prayers.

“ *F.P. was a great guy. I had the pleasure of working with him for many years in the Finance & Accounting area at UPS. He will be sorely missed as a good friend and partner. The UPS Retiree Group just found out about his passing today (Sept 12th). If we had known sooner we would have quite a few partners in attendance to show our respect for FP. Our deepest sympathy, Dennis Ficco and the UPS Retiree Group of Atlanta*
