“ *Such a dear sweet lady. I had the pleasure to work with her for over 20 years at The Lovable Company. She was always interested in my family and how we were doing.*

“ *Sweet John my heart breaks for you at the loss of your beloved Frances. There are no words to express my gratitude to you both for the love shown to me as I helped my parents. You two were my lifeline to the world. My life is better because Frances was in it. I know the angels rejoiced and the King of Kings was there to open the gates to Heven, Well Done Thy Good and Faihtful Servant.

“ Thank you Frances for always being there, listening and in some cases helping when you were able to. Thank you for our last conversation on the phone where we shared tears together. That really meant a lot to me. In my short stay in Georgia you and John were very special to me. You both will always hold a special place in my heart.
