“ *I met Frank over 50 years ago when he hired me in the Current Tax Division at Fulton County. Under his leadership I had the opportunity to cross train in all divisions. He was a kind person and a super workaholic. Any time I needed a reference letter he would always take care of it for me. We had good times working with him. I pray for peace and comfort for the Cox Family.*

“ Frank was one of the first people we met in November of 1986 when we moved into the Crabapple area. When he saw that we were moving in, he rang our doorbell and invited us to church. We ended up joining Crabapple Baptist Church where we became close friends with him and Janice for nearly 37 years. He was a dear friend and a true Christian gentleman. We will see you in heaven, Frank.

“ Frank and I rented part of a ladies house after High School. She controlled our heat from her side!! Frank would get up pull a Quilt over him and go turn the stove on to warm! Then he would sit down and go to sleep. I would wake him up and he would tell me he was JUST RESTING his Eyes. \$@?! We had to move ! Praying for the Family! Lots of good memories.
