*Barbara, you have been a beloved friend since we were in the 6th grade and when you brought Frank into our lives we loved him at once. We could do nothing less, as it was plain that he adored you and besides, he was such a sweet guy. I wish I could be there to grieve with you. I know the Lord will comfort you and the children.*

*Love, Betty*

“ Sincerest condolences to Barbara and family on the loss of Frank. I first met Barbara and Frank when they moved to Augusta Georgia due to a job transfer to Westinghouse. I sold them a home at 3714 Inverness Way in West Lake that they both enjoyed for many years until his retirement when they moved. The Kardians were two of my favorite clients to this day. The love they had for each other was so apparent to everyone. And I will tell you that I loved both of them! I enjoyed them both very much and thought very highly of both. It was by chance that I saw his obit as I was looking up another funeral and saw his name on the fh website and I thought this has to be the Frank I knew. If you were having a funeral I would be there and that's how much I think of Frank and Barbara. Please know our thoughts and prayers are with you!

“ Barb: please accept our deepest condolences on the loss of your Frank. He was really a special person . I remember when you first got Daphne and how she and Frank would be out walking together: just two buddies out for a walk. Sometimes I would walk part of the way with them: so long ago now. Mike and I will keep you and Frank in our prayers. Rita and Mike
