“ *I worked with Gale for many years. We had lots of good times together. She was always lots of fun with a wicked sense of humor. Gale loved her family and was so proud of her kids. She talked about them and Ray all the time. She will be missed. Prayers for the family. I know she is happy to be with Ray again. We'll see each other again. Tonya Craig*

“ *Worked with Gale many years ago - always one of the nicest, calmest, and most helpful people I've known. Truly a wry sense of humor, too! Wishing the family peace and sympathy in their great loss.*

“ Gale was a very good friend of mine at work. She was one of my smoking buddies for which I am not proud of. We used to go walk on our breaks. We shared lots of conversations. One of my deepest regrets is that we didn't stay in contact with each other. She loved to talk about her children and brag about them. So did I. I'm so sorry to hear of her passing but I know she is in a better place where we shall meet again. My thoughts and prayers are with the children. I can't remember the names. My memory is not so good any more. God bless. Diane C. Martin
