“ *To the family of Gary Duncan, my heart felt sorrow for your loss. I met Gary in the mid 90's while he was working on a movie I was broking cars for. He had a great love for old cars, so we hit it off as friends pretty quickly. We would send messages and email a couple time each year, call when we had time.*

*I just lost a friend here and was trying to make contact with Gary, was so sad to get a message from Pamela telling me of Gray's passing. May god bless you.*

“ *Gary and I were great friends in high school. He dated a girl who's parents didn't approve or something. I would go pick her up and take her to Gary. He would drop her off with me so I could take her home. Gary was a great guy! We lost touch as I left high school for Vietnam. May God be with him and Bless his family!!*

I knew Gary for many years, he was a true Pioneer of the motion picture industry in Georgia, and helped make it what it is today. A true professional and a nicer person you won't find. He will be missed, and his void will never be filled.

*Gary was always so nice and was very generous with sharing his knowledge. I called him with questions many times, about where to get something related to cars, drivers, NASCAR mechanic tools, people etc. I always enjoyed working with him on both movies, and commercials. He was a good person. He will be missed.*
