“ Marilyn, Gary graduated with us from Southwood High School. I was saddened to read his obituary in the Wabash Plain Dealer. We still think of ourselves as "young". Gary was at our 20th year reunion, then we didn't have another one for 20 years. We didn't get to see him at the last one, our 40th. I have sent this web site on to some classmates via email so they would all know. We wanted you to know that you have our sympathy. If you could send us a recent photo of him, I would love to put it in our memory book. Take care.##imported-begin##Tim and Patty Cooper##imported-end##

“ I am so sorry to know of Gary's loss. He was a fine Christian man and a devoted husband, as well as a loyal friend. I will, as we all will, miss him dearly. May God Bless you and your family at this difficult time. He is with the angels where we will all see each other again. In God's grace we are all welcomed home.

With deepest sympathy,

“ Very sorry to hear of Gary's passing. Gary and I had worked together for several years at Metro Refrigeration and had kept in touch over the years as he was a "factory rep" for several years for the wholesale industry. I will always remember him as a happy man and how he always played with his tie when he talked to people.###imported-begin##Terry Lane###imported-end##

“ I am so sorry to hear about Gary, I do appreciate your thinking of notifying the Plain Dealer in Wabash. I have lost touch with all of the Eppley's, I went to school with Pam, enjoyed many good and memorable times with the whole family. My family and I think and speak of all of them often. I would love to hear from one or all of you. Thinking of you, Darlene##imported-begin##Darlene (Wolfe) Harris##imported-end##

(Back in the olden days ... the 1950s, when I was quite young ...I
took dancing lessons from Jack Eppley ; he had a dance studio in
downtown Atlanta ... on Pryor Street I believe.) Related ?
