“ I remember hearing Skip's stories about all the shenanigans of the brothers growing up. Nick and Skip were usually the instigators. I will miss his giggle and sense of humor.

“ We will miss our Uncle Skip. Our fondest memories are of the banter of the Fay boys at the table playing poker during Thanksgiving at Grandma and Grandpa Fays house. Along with the competitive football games on Gerold Drive. Our thoughts are with Aunt Kathy and our cousins. After all, as our Uncle always said, "Everybody loves the Skipper".
