“ *There are so many memories of a man who always had an out stretched hand of friendship and support it's so hard to believe he has passed on. I met George Easter Sunday 1987, at Providence Baptist Church and he always told you a joke and gave you a great piece of advice especially when he knew you had an unsettling issue in your life. He loved the church choir and I know he is singing in that heavenly choir with other members and is reunited with his beautiful wife and friends in the comfort of our Lord. I will always see George rounding the bend on Bethany with his tractor going to support a friends field or garden or pasture. He was always there or everyone.*

“ *Mr. George was an amazing man. He was always kind and so loving. I had the privilege of becoming friends with him through gospel music. He will be missed by many but we all know he is now part of the heavenly choir. (He might also just be helping make the gardens of Heaven even more beautiful!). Love and prayers to his family.
