“ I was lucky enough to have Mr. Dear as an 11 week long term sub when my daughter was born in 2017. Mr. Dear certainly knows his history, and my students loved his dry humor and demeanor. I loved hearing stories about his funny, and often times horribly behaved, girl cat. She found the right owner with Mr. Dear. Mr. Dear touched many lives; we are thankful for knowing this wonderful man.

“ George was more than just a substitute teacher for the Northwestern PE department- we considered him an honorary member! He was our friend and confidant and we had many laughs sharing our life stories. I will truly miss him and think of him often.
