“ To Cheryl and family,

My deepest condolences to you all. I had the good fortune of having worked with George for a number of years. He was the consummate investment professional. He never failed to deliver for his clients or his colleagues. He had a devilish sense of humor and was always fun to be with whether on the golf course or in the office. He will be fondly remembered and sadly missed by all who knew him.

Thank you so much for sharing this with us, Mr. Mitchell. He did have a wonderful sense of humor and was one of the hardest-working and most detail-oriented people I've ever known! My dad spoke of you fondly and my mom, my sister and I appreciate you remembering him.

Blessings,

Jenny
