“ I am so sorry to hear that George has passed. I had been in touch with him until a few months ago until I was unable to reach him or his caregiver. I worked for George in 1970's and was rehired in 1980 when I left General Electric and wanted to return to Connecticut. He had a gift for allowing me the freedom to do things in implementing his vision, and ignoring him when he "got in the way." I cannot imagine that i could have had the kind of corporate experiences I had if it had not been for him. I consider him to have been a good friend. I loved him and will miss him, and Ann. I had dinner with them both when I was handling a legal matter in Atlanta and other States, and George was helping me with it. He was a good soul and perhaps we'll meet again in the life beyond.

“ *A life well lived, the Lord gives, the Lord takes away. We loved you, the Lord loved you more. My deepest condolences Lenette, Judy & the entire family.*

It has been an honour and a pleasure to know Dad, to listen to his stories about growing up, how Big Mama loved him & his sister so much. To listen to all the stories about Georgia Bulldogs as you taught me a bit about football.

I will cherish the memories, all the laughter, the goofing and the sing along. Thank you for always being such a Gentleman, very neat, organized, kept time, soo giving & kind, very respectful.

You have touched many hearts, we will always thank God for you. Rest well and may perpetual light shine upon you always... It is well, it is well. Love Mercy Y.
