“ Doyie (at 2 yrs. old Jerry was tough to pronounce)so Jerry was known as Doyie:) Recently, I told Jerry about meeting people while traveling especially how sisters traveled every year together and remarked how I wish I had a sister to travel with and share our thoughts & experiences. Jerry (Doyie) responded, "you can talk to me and I'll listen". How sweet that was to hear and will always remember Jerry trying to fulfill my desire of having a 'sister' to share with. I'm still trying to accept the fact that you are not coming here in July for a cook out. Will always, always love you Jer. Love, Helen (sister)##imported-begin##Helen Bellomo##imported-end##

“ *We are sorry for your sudden loss. Here is a scripture that has provided comfort during times like these: Revelation 21:4 - And God will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.##imported-begin##A Neighbor##imported-end##*

“ Family, I was shocked and saddened to hear of Jerry's passing. I worked with him at General Dynamics and overseas in Germany. I will have lasting memories of him and his wife Sue. I spoke with him a few months back and planned on getting together the next time he would be in Rochester.

I will always remember his quick wit and storytelling abilities. I am honored to have been his friend.

“ To all of Jerry's family, friends and partner, I share in your loss and am only sorry that I will be unable to attend his service this Saturday. I was stationed in the Air Force in Germany during Jerry's time there and we had some fabulous times together. We only reconnected two years ago soon after the death of my wife. In addition to his feelings and compassion I was surprised to learn that I was an inspiration for his photographic sales career. My only regret is not being able to schedule a visit during this time. Rest in peace Jerry.##imported-begin##Steve Jost##imported-end##

“ We befriended Jerry a few years ago as he worked with our Dad. We would have dinner together and hear wonderful stories about their times at Kodak which brought many laughs.

His sense of humor surpassed most and he will truly be missed.

Jerry was a perfect example of living life to the fullest.

May his memories comfort you as they will us.

“ Ah Jerry!!
All the good times we had.
The motorcycling and snowmobiling in Syracuse, the "bump"
sessions on the deck in Roswell, family gatherings
when you would make Mom laugh so much she would "snort" - all
wonderful memories of a good B_I_L and even better friend, the
brother I never had.
You are deeply missed.

“ Gerry and I were not only cousins, but also good friends over the
years. We last communicated with each other via e-mail at 10:34
a.m. on June 2nd, that fateful day. I will sorely miss Gerry, his great
humor, and his fun loving attitude about life. We spent many an hour
together from the time we were kids in Rochester and Irondequoit to
present day as adults. I extend to all of his family and friends my
condolences at this unexpected and heartbreaking loss. May
everyone take comfort in the fact that Gerry lived life to its best and
fullest. God will surely smile upon him for all the happiness and
good times he bestowed on all of us during his lifetime. He will live
on in our fond memories of the time we shared with him, and will be
profoundly missed by myself and all who knew him.##imported-
