“ I am so sad to hear of Jerry's illness and passing. I was in elementary through High School with him, and knew him as such a great person with an easy smile and laughter. Unfortunately, I have lost touch over the years. However,there is something about those we are in High School with, which causes us to always have a special connection. Without a doubt the world has lost "one of the good guys". He will be missed. I will be praying for all of those who love him.##imported-begin##Myra Smith Goodwin##imported-end##
