

Gertrude Guberman

July 22, 1918 - December 3, 2012

Gertrude Guberman , age 94, passed away peacefully on December 3, 2012 (of Alzheimer's). She went by Gert or GG. She was a woman of many accomplishments: getting an accounting award in high school, having a day named after her (Gert Guberman Day, in Florida, for her service to Jewish Women International), getting a BBA degree from City College of NY, (when many women didn't get business degrees), going through fertility treatments (which were not as common as they are today), past president of a B'nai Brith Women's chapter in Fla., (now called Jewish Women International), survived cancer four times and got a hole in one on the golf course. She is preceded in death by her husband Benjamin Guberman. She is survived by her daughter Rosanne Barnett, son-in-law Larry Barnett, and many friends and relatives (and our dog). In lieu of flowers, donations may be made to a charity of your choice.
