“ *Ginger was such an amazing friend and colleague! She was always willing to jump in and help out with any student or school task and she always made other laugh while doing so. For my daughter's second birthday I had planned for a Clifford the Big Red Dog theme. Ginger suggested we rent the costume from Scholastic. A few days later Vinny drove sweet Clifford/Ginger to my house. My daughter and all the children were thrilled. She was special and will be missed!*

Ginger will always be remembered for her legacy of commitment to several committees in our neighborhood and for making the Heritage at Roswell a better place to live. Many residents will remember her legacy and she will be dearly missed. I always appreciated her friendliness, courtesy and the good-natured chats during impromptu walks in our neighborhood. Actually, both Ginger and Vince have the same good character traits. I'm very glad that we've been neighbors. My heartfelt sympathy to your entire family.
