“ *Buck,*
We are so sorry to hear of Glenda's passing. I know you have been a wonderful caregiver for many years and your love for each other was evident every time we saw you together at the reunions. Glenda was a bright light of beauty and kindness and had such sweet humor. She was a favorite cousin and I always looked forward to seeing her, with excitement when I knew a family reunion was drawing near. As a rose leaves it's fragrance in the room after it's gone, so will Glenda leave her inspiration and love with us to hold forever in our hearts. Much love to you and all your family.

“ *My memories go way back to Aususta & Richmond Academy. Glenda was the beautiful belle & sponsor for Courtney as Cadet Colonel of R.O.T.C. God granted you both a full & meaningful life & family together. Courtney, your steadfastness & devotion are examples for us all.*

You & the family are in our prayers, Marianna (&Hal) Raffensperger

“ Glenda truly loved the Lord , her family and friends. She was such an important part of me transition from naive 19/20 yr to womanhood. I have so many warm and wonderful memories but what stands out most is the love story that is Glenda and Buck.

My deepest sympathy to all of the Bailies, praying for comfort for you all.

“ Glenda came into Curves in Alpharetta, regularly, and Buck waited outside for her. Things changed, but Glenda continued as long as she could. When we moved to Roswell, she still came in. Bless her heart....and bless Buck for the care and love he gave to Glenda. It was a love story for sure. Buck was always there at her side. Wonderful memories of a life shared.
