

## Mr. Glenn Allen Clingenpeel Jr.

February 26, 1974 - August 26, 2020

Glenn Allen Clingenpeel Jr., age 46, of Alpharetta, passed on Wednesday, August 26, 2020. Allen was born February 26, 1974 in Jacksonville, FL to Glenn Allen Clingenpeel Sr. and Mary Gladys Peacock Clingenpeel. In addition to his parents he is survived by his daughter and son-in-law, Kailey Paige Clingenpeel Horsman and Daniel Horsman and a brother, Mark Adam Clingenpeel. Allen was a graduate of Duncan U. Fletcher High School as well as the University of North Florida where he earned a Bachelor's Degree in Computer Science. Allen will be remembered as a wonderful caring father and a treasured son and brother. Allen loved music, he played electric guitar and loved music ranging from old country music to heavy metal. He collected postage stamps, old coins and magnets. Allen loved hanging out with family and friends and absolutely hated being alone. Those who knew him well will remember his special smile that always came with a wink....

Allen enjoyed traveling with Kailey and among their favorite trips was snorkeling in Hawaii as well as taking a train ride to N.Y. He was a lifelong fan of baseball and a passionate Braves Fan. A favorite memory is of when he and Kailey were chosen to help carry the American flag onto the field on July 4th before the Braves played the Dodgers at home. The Braves won and this was a special night to celebrate her 11th birthday. What was certainly their most treasured memory was when Allen proudly walked Kailey down the aisle on her wedding day.

A Celebration of Allen's life will be held 2:00 P. M. Tuesday, September 1,

2020 at Northside Chapel Funeral Directors. The family will receive friends following the service.

In lieu of flowers the family asks that those wishing to make a donation to an Alcohol Rehabilitation organization of their choice.

“ *Allen always knew what I was streaming on the radio when he'd come into my office each morning. Which was always amazing to me. He always liked playing jokes on people and telling tall tails. I came close to getting him back once. When he came back from a break in the middle of the night during Cerner go-live, I told him that Sarah wanted to see him and Mac Lewis backed me up. Sarah was sleeping at the time and he got all the way to almost knocking on her door. Ha! I always loved him and Brack telling about the great stringer of fish heads they caught one day. Ha Ha! I think I'll always think of him first whenever I have a new task that he was always the eager to take on and loved to do.*

*My thoughts are with your family buddy. You'll be missed.*

“ Allen was one of the funniest and nicest people I've known. He always had a funny comeback to any type of comment. I'll never be able to say the word "Congratulations" again without thinking of him. He was also fantastic at making up "stories" about people that were so fantastical that they couldn't possibly be true, but he could convince you without a doubt that they were. We had some amazing laughs at work that brought some much appreciated levity to our days. He will be deeply missed!!

“ Allen can be best described as a man with a heart of gold. kind-hearted and just a good person overall. I am very glad I was able to get to know Allen as a co-worker and as a friend. He always talked about his daughter, Kailey and his love and respect for his parents.

He loved, loved the Braves and it's always an absolute treat for him whenever he can go to the games to watch it in person. He is the most loyal fan I have ever met. Whether the Braves win or lose, he stood by his team no matter what. I will miss the jokes and the teasing. He had a great sense of humor.

He also knew those interfaces like no one's business. He was very skilled at what he did and yet very humble.

Thank you for sharing your life, your craft and your laugh with us. You will surely be missed my friend.

May our good Lord provide peace and comfort to the family at this time of mourning.

“ Allen was the funniest IT resource around during a Northside EMR conversion project years ago. We would come on-site monthly to learn what David's new nickname was, or to be reminded throughout the week about the time Brent mistakenly thought the lunch provided was pork -it was chicken. Lighthearted jokes aside Allen never failed to mention his daughter. I remember recognizing and admiring his tone shift each time she was brought up. He'll be missed. My condolences to his family.

“ Dear Mary and Glenn, From the time I began worshiping at Oceanside you and your boys were there. Sarah and Adam were small but Lynn and Lee were the same age as Mark and Allen. Lynn always had such a crush on Allen. I enjoyed watching him grow into a fine young man and getting married in the church. You always put your family first and your love showed in so many ways. Love, Susan
