“ Kapi and everyone else who is affected by the untimely death of Lee Cole. I don't really have the words to express the combination of emotions that i'm feeling. However, I will try. I'm saddened because I feel as if i've lost a member of my family and a friend. I'm happy because I had the opportunity to get to know him. I'm confused because I wonder how we go on without him. GOD knows best. My prayers and thoughts will be you all.##imported-begin##Robin Watts##imported-end##
