“ *Surely the universe knew that this bundle of joy born (she would never tell us when) should be called Grace! We have been so lucky to have her for a neighbor. One fond memory of Grace is her being dressed to the 9s riding in a four-wheeler up and down Castleton Dr. after our last snow storm. She said, I'm out just having fun. That's what Grace did and I will never forget the joy she brought to our life. Betty and Fred*

“ My deepest and sincere condolences to the family, May you find comfort in one of the promises made by Jehovah God in 2 Peter 3:13 “But there are new heavens and a new earth that we are awaiting according to His promise, and in these righteousness is to dwell.”

“ Grace was an example of that generation of Women who were strong, independent, kind, charitable and the bond that held families together through depression, war and peace. I considered her a friend and a fellow fan. She was a "Dawg" but treated this Gator with love and friendship. She will be missed, especially on that last weekend in October when the bragging rights begin

Love ya' always Gracie. Go Dawg.

Grace is fondly remebered by my boys as "our Atlanta Grandmother". Many hours spent walking the paths in her front yard, taking Pdraig's first steps to Grace. Endless hours in the back yard picking flowers and Thomas"playing" with the UGA statue, jumping, and swinging on the swing. You were always so good to our family. We miss you deeply. May happy memories console the Pirkle family.
