

Mr. Grant Jay Adams

January 28, 1956 - July 7, 2017

Grant Adams, 61, passed away suddenly on July 7, 2017. He was born January 28, 1956 in Santa Monica, California, son of Margaret and Frank Adams. Grant grew up in the small town of Frenchtown, Montana with his three brothers Jimmy, Frank, Thom, and sister Peggy. Grant graduated from Frenchtown High School and attended Montana State University. Grant is survived by his wife, Gloria, his two children, Drew and Brooke, along with Drew's wife, Taylor, and their unborn child due in October of this year. He is also survived by his siblings Peggy, Frank and Jimmy Adams, along with his sister-in-law Donetta Adams. Grant was predeceased by his mother Margaret Adams, father Franklin Adams and brother Thom Adams.

Amongst many roles, Grant was first and foremost a loving husband and father. He married his sweetheart, Gloria, in 1983 and they have since celebrated 33 joyful years of marriage. They enjoyed many wonderful adventures and journey's together - with the greatest journey of all being his spiritual transformation with the loving guidance of his beloved wife. Grant was also an incredible father who loved coaching and sharing life experiences with his children. His strength in adversity was always an example to his children on how to persevere through life's toughest challenges. Aside from being a devoted husband and father, he was also a loyal friend and businessman. He was a Real Estate Broker for over 35 years, forming great business relationships built on trust and honesty. It is no surprise that many of

his clients turned into lifelong friends. When Grant wasn't working hard to take care of his family, he was most likely seeking adventures in the great outdoors with family and friends. Those that knew him could attest "You can take the man out of Montana, but you can't take Montana out of the man".

Above all, Grant was a quiet man of faith with a servant's heart who always enjoyed giving more than receiving. His humility, kindness and generosity touched the lives of everyone he met.

"When through
One Man
a little more love
and goodness,
a little more
light and truth
comes into the world,
than that Man's life
has had Meaning."

“ *We met Grant & Gloria at Taylor and Drew's rehearsal dinner. They showed their hospitality and welcomed us 'out of towners' with open arms! When Grant talked about His love for Gloria, his love for Drew and Taylor, Drew's baseball teammates and how much he enjoyed coaching Drew, we could feel his sincerity and genuineness! He will be greatly missed by all and we will continue to pray for his sweet family!*

“ I was extremely fortunate to meet Grant in 1988 when I had just passed my real estate exam. Grant changed my life and I will be forever grateful. He started HomeSelect, a real estate brokerage in Norcross GA. Grant interviewed me and was not going to hire me. I was new with no true sales experience but fortunately convinced him that I would work harder than anyone else at his brokerage. That first year, Grant taught me a tremendous amount. When I wanted to quit, he was right there encouraging me and pushing me to persevere. Now, as a Broker at my own company, I often utilize the same skills I learned from Grant to encourage my agents.

Grant was focused on working hard and playing hard. I spoke with Grant about a month ago, and he said he was into hiking. You can take the boy out of Montana but you can't take Montana out of the boy.

“ *I, like many of you, got to know Grant through his profession. My family - my son Chris and his wife Beth bought all their homes with Grant's help and guidance as did my wife Barbara and I. Again, like many of you, our relationship changed to one of very real friendship for Grant and Gloria. I will always remember Grant with a simple word - Class. He had it in great abundance and he managed to rise above all the drudgery that could accompany his profession. He had a great wit, an easy laugh and was always on the high road of life. His success in his personal life and his profession was a model for me, he was a hero to me. I can't believe he will not be able to enjoy parties at the new house I bought with his help, that was always part of my plans. I will think of him often and how unfair it was for him to leave us so early. He was a good man and I will miss him tremendously.*

“ I am so sorry to hear of the loss of this man. Though I did not know Grant well, he was the selling broker for a home we purchased in 2014. Due to renters in the home it was a difficult situation. I was most impressed with Grant's patience in dealing with difficult situations. I could tell he had a great knack for Real-estate dealings and working out the details. He was such a likable man too.
