“ To Greg's family,  
He will be greatly missed here at GDOT. When he started here as a contractor, he immediately meshed so well with our team. He was, kind, helpful, funny, and had a story to tell us all the time. He was extremely knowledgeable about so many things and brought an endearing light to our office. I considered him a friend and a fatherly figure to all in the office. His laugh was infectious and will be greatly missed by us all.

“ My condolence to the family. All though My time with Greg was cut short the time spent with Gregg at GDOT OTD was wonderful. Greg was a very intelligent person and just all around wonderful person he was always there to help everyone or anyone with what ever he could while sharing all he knew without hesitation - that is very rare in people and this is why I liked him so much - Greg will be greatly missed in our work family. I wish his family all the best as I know what a rough road ahead they will face, my thoughts and praise are with you, (FYI Greg was my pick for a contractor and then to a permanent position that is how great of a person he was Thank You for sharing him with us we enjoyed every minute )
