“ *My deepest condolences to the Powichroski family, Patrick, Emily, and Alison. Your family has always been an inspiration to me growing up representing family values, loyalty, support of each other, great sense of humor and unconditional love. These are attributes Greta has carried into her own beautiful family. May God wrap each of you in peace today and in the days to come. Love you guys. God bless you Greta.*

“ My deepest sympathies to Patrick, Emily, Alison, and all of those whose lives were touched by Greta. She loved life and adored her family. When we worked together, we would go out to lunch and sing along (terribly and loudly) to our favorite 80s tunes in the car. I smile every time I hear those songs come back on the radio!! She had a great sense of humor and loved to laugh! She will be terribly missed. Heaven gained a beautiful angel today. You are all in my thoughts and prayers. Laurie
