“ *We are so sorry to hear of your Dad's death. Our memories consist of his kind and pleasant manner, and the bond we observed between him and your Mom. He was like a son to Gaines and Floy M.as well. We remember the big house and big front yard where you three grew up, and I know your parents were/are so very proud of their three strong sons. God bless and keep you all. Don (Anne's cousin) and Gladys Waldrip##imported-begin##Don and Gladys Waldrip, Gainesville, GA##imported-end##*

“ Chipper, Wish I could be there for your Dad's service, but I am still in B'ville with my Dad who is under home hospice care. I admired your Dad so much for the devoted family man he was and I can see him in you so much. May the wonderful memories you have of him sustain you during this sad time. My thoughts and prayers are with you. Love, Betty##imported-begin##Betty Hopkins##imported-end##
