“ I read about Harry's passing in the Ashland paper and I want to express my sincere sorrow to his family. I know your family is very close and all of you will miss him very much. I will certainly remember the great times I had playing softball with Harry, Randy and Dickie many years ago. If I know Harry, he is at work right now improving the communication lines between heaven and earth!!

“ I remember all the special times spent at your parent's home, with all the youth activities and volleyball games. I treasure the impact your family has had on my life, and I so appreciate knowing Harry and Delores...great "salt of the earth" folks and wonderful servants of our Lord. May your hearts be overflowing with the love and memories of your father. Heaven has gained a beautiful soul. Love & prayers, Janet###imported-begin##Janet (Sorrell) Cross###imported-end##
