“ *We grew up next door to each other in Birmingham, Al. I didn't know of your passing until just now. We had some good times in our old neighborhood and you were a special friend.*

“ *you and your unconditional love for your frineds like Chandi are amazing.I am really amazed at how wonderful you are she is when you are together.It is a pity that you cannot come to ChristChurch and spread your inspiration around here as our non-human frineds have been completely unsettled by our continuing earthquakes.If I make it to England one day to see you and Chandi perform I will be happy to meet you and shake your hand.Watching your videos are so inspiring and bring happiness to our bleak days###imported-begin###Romulo###imported-end##*
