“ *Debbie and family, you are in my thoughts and prayers. Your Mom, Sue, was always kind and loving to me. I have known you since 7th grade and I have and will always cherish the memories of our growing up together. I will never forget the kindnesses your Mom showed me whenever I spent the night at your house or whenever I achieved a milestone in my life. I still have every special Japanese gift she ever gave me, which has become a cherished collection. I always loved that she maintained her Japanese culture and that I was lucky enough to be exposed to a small part of it. She was a wonderful woman and she will be missed. God Bless.*
