“ I lived in Ms. Hazel's basement apartment for a few years and grew to love her very much. I received a phone call from one of her cousins (Blanche (Phillips) Tippens) who let me know that she had passed away. Some people come into your life and don't make impressions - well, Hazel was NOT that person. She was an inspiration to me and and always made me feel like family. My heart aches for your family as I know the loss is great. When I step from this life into eternity, I can imagine that I will hear her contagious laughter and will go straight to her and give her a big hug around the neck. Rest in peace sweet, beautiful soul. We will meet again. Much love - Heather (McDonald) Davis
