“ Nancy, Mike & Natalie,

I just wanted to say how sorry I am for your loss. Unfortunately, as I told Nancy Sunday night, I understand the loss of a mother to cancer as my mom was 42 when she died. It is very hard but I know the Lord will comfort you and with time the healing comes. You NEVER forget and the memories become sweeter over time but for now may God give you strength, comfort and the courage to continue a close walk with Him. I love you guys. I wish I could be with you at this time but I am having to leave for Alabama to take care of my dad (with Alzheimers) for the weekend. His wife needs a much needed break. Please pray for me too as I covet all the prayers I can get.

Love,

Becky##imported-begin##Becky Mays##imported-end##

I will and have missed Hazel, never down, I thought sometimes it was all she could do to make it across the street to attend Church Service.
