“ *Golda and Roy, I along with Kelli, Monika and a ton of others worked with your mom at GE. I recall meeting you at least once at the office on Roswell rd but that was at least 15 years ago. I was saddened to learn of her passing; she was a wonderful lady. My thoughts and prayers are with you during this time of need. “ *Golda & Roy:
My thoughts and prayers are with you and your families in this difficult time. Helen worked for me many years ago at GE and was the most dedicated, positive yet entertaining employee. Helen made work FUN! Although it has been 16 yrs ago, I can still see her smile and know that you have that and your Mother's spirit as your guardian angel. Take comfort knowing that she is at peace.##imported-begin##John Anderson##imported-end##*
