“ Dear Sister Helen was one of the most generous and giving women I was blessed to get to know through so many years because of Eastern Star connections. She and my grandmother, Sister Fern Stoddard, met and became fast friends sometime in the 60s. All I know is that Helen was a dear friend of Grandma Fern's for as long as I can remember. Our entire family had many wonderful times with Helen...one of the early ones I remember was when she made a trip through South Dakota and we all came and met her at her Motel. She and my dad danced together in the parking lot of her little Motel...and so much joy was shared by our entire family with this wonderful woman that night. Helen was a huge support of my Grandmother and my Dad through all of their years when they served General Grand Chapter as well as SD Grand Chapter. Always there with a hug, an encouragement, great smiles, and wonderful little notes in the mail. When I was blessed to serve the General Grand Chapter, as well...there was Sister Helen supporting me, as well. But our connection was more than as Sisters...she was a great friend. I am so blessed to have had her as a part of my life for so many years. May God comfort every one who feels the great loss of dear Helen...but also fill you always with the wonderful memories of this dear, dear woman. Peggy Stoddard from South Dakota
