“ *"Storybook" is the best word that comes to mind when I think of both Mrs. Helen English and her late husband J.L. English. Always kind and decent to speak with; always doing as oppose to just talking. Always welcoming at their lovely home. This past year, I stopped in and gave her some of our garden tomatoes - she was as excited as little one on Christmas morn, offering a big beautiful smile. We can learn so much of how to live right from Mrs. & Mrs. English - treat folks the way you want to be treated and love the simple things. My deepest sympathies to the English family - Heaven has welcomed it's newest angel.*

“ *So sad to hear about Helen. The Englishs have been our neighbors for 47 years. Some of the sweetest people I have ever known.*
