“ *To Rick Moore, I am so sorry to hear of Helen's passing. Your Grandmother lived a wonderful long life and had more energy than I did when she was 91. I think of her quite often and I just discovered the news of her passing. My heart goes out to you, and may you have many pleasant memories of this wonderful lady. Thank you for allowing me to spend the time with her that I did. She was a treasure and a very talented lady. I know you miss her. Take care. Merry Christmas to you and the family. Cindie*

“ *I had the joy of spending a lot of time with Helen after the loss of her daughter to cancer. Helen was a delight. So full of energy, very creative and a wonderful artist. I loved being with her, she shared so many memories with me as her caregiver. She loved living things, all beautiful plants, flowers and animals. She had her sweet little dog Bella, and quite a variety of lovely orchids. I just did find out she is amongst the angels. She will be missed, she had the most wonderful family. Rest in Peace Ms. Helen.*
