“ Helen never failed to take time to listen, to contribute thoughtful insights, to encourage. I loved this about my friend, Helen. Most of all I loved it when she laughed. She made me laugh just because her laughter was contagious. I treasure my memories of her in the “Zebo”, at Ruth’s Chris, at the Crabapple Antique Days. I will always think of her when the Braves play baseball and every time I look at a history book. I will miss her terribly. She was our Hellie.

“ *Helen was my dear, dear friend of more than 20 years. We shared so many laughs, so many good times and so many visits to Gibbs Gardens. Helen was smart, witty, funny, generous and most of all, very caring. I am shocked and saddened by her sudden passing and will sorely miss my special friend. My sincere sympathy to her family and friends. . . . this is a great loss for so many of us.*
