“ Our Brookfield group had a lot of great times, lots of laughs and great friendships through many years. Hank was a major part of those times. He had a wonderful sense of humor, could converse with anyone about anything and always had a great smile. I would run into him at a "watering hole" or Publix the last few years and it was always good to see him. He was a good friend and he will be missed. Rest in peace friend.

*I'm saddened to hear about Hank's passing. Haven't seen as much of him since he left the club at Brookfield but sure remember some fun and funny times. We're losing too many of our friends and contemporaries way too soon!!!*

*Although I only knew Hank a short time in his years, I found him to be a Good Man. Out of great respect for his Friend he was always very loving towards me & respectful, yet he was comfortable enough to let me see his joking side at times, which I know was a rare thing & I am so honored he let me see him in that way. But, most of all I saw a Man who was a friend who shared so many fun stories of times over the years with his friend Ronnie Long & others connected to Ronnie. I so wish I had of know him then too! It was a gift to have met him and share some of his life. Hank, Ronnie misses you so....just as so many others do. Thank you for choosing to share some of your precious time here with us, it was our honor!*
